VOL. II. NO. 88.

CHICAGO, TUESDAY, JULY 7, 1896.

PRICE, 5 CTS

DIGGS' BROTHER IS BEATEN.

It was cool at Sheffield yesterday and a strong breeze blowing down the back stretch prevented good time. The track was fast, the attendance good and the books had the best of it, as only two favorites, Alverado and Ingomar, while Fair Knight and Pinchback were at long odds.

A dozen very poor ones went to the post in the first race, and Repeater was made favorite. He led for three-quarters of a mile, but died away at the finish, Fair Knight winning by half a length from Gracie C, with Designer a good third. Both the second and third placed horses got off badly, or the result might have been different.

Hankins & Johnson's chestnut colt, Sutton, a full brother to Diggs, made his Indiana debut in the 2-year-old race, and was looked on as a good thing. Michael McInerney made the running for three furlongs, with Lottie Wimmer, who had acted badly at the post, second. In the stretch Her Excellence took the lead and held it to the end, winning by a length from Sutton, who came very fast in the last furlong. Lottie Wimmer was third.

In the five and a half furlongs Alverado was the favorite. Off second he went to the front at his pleasure, winning easily by five lengths from Big Steve with Airlight a poor third.

In the second half of the mile race Ingomar was an odds-on favorite. Ragner led for half a mile with Ingomar second. At the turn Dockstader took command and led into the stretch. At the eighth pole Ingomar collared him, winning in a drive by half a length from Dockstader with Ben Hur third. Freddie L T ran poorly.

Millie M was the choice in the six furlongs. Brodhead as usual led for half a mile, when he died away. Millie M was in front in the stretch and looked like winning, but Pinchback caught her at the end winning a good race by half a length. Terra Archer was a poor third.

In the last race Ardath, the second choice made all the running, and won handily from the favorite Caulfield, with Fritzie third.

Edward Purser has bought the five-year-old bay gelding Buckwa from C. H. Smith. The price was said to be \$1,200.

Frank Frisbie of the Orwell Stable has signed Jockey Newcom. He will ride here.

Scherrer will be here to ride by Wednesday and will only leave on special occasions to ride in stake races for Baker & Gentry.

Dan Honig has shipped to St. Louis where he will race for a short time. He will shortly sell all the horses in his stable with the exception of Magnet and Zamar II, who will go east later. Honig's plan is to add one of two good ones to his pair and race the remainder of the season in the east.

Galen Brown said yesterday that the Burns & Waterhouse \$10,000 offer still stood for Magnet, yet he did not think as well of the St. Blaise colt as before. "When a fast one like Magnet pulls up lame it gives a man a heap of worry and naturally decreases his value," said Brown.

Theodore Winters is here, a member of the Nevada delegation to the convention. He says that at the Reno Nev. ranche there is a grand yearling brother to Yo Tambien, by Joe Hooker—Marion, and a speedy giant by El Rio Rey out of Leopardine.

John Mackey was in Chicago yesterday on his way from New York to Rancho del Paso with two carloads of yearlings which were not sold in New York.

An Answer to Subscriber.

Subscriber. Your consideration of the Loudon-May Fern race is evidently as cheap as yourself. Cheap people write anonymous letters. Sign your name or come to the office with your future statement. You are evidently thick

of wit, as applying wit to reading matter and thicker still in general mental lines and manners. DAILY RACING FORM reported Loudon as off eighth in the race in question and knows nothing of any other than legitimate connection between the betting ring and the event. Overhaul your thin stock of knowledge and study and see racing better than you do—if you can.

THE FUTURITY COURSE.

Curious, Cleveland, O. The Futurity Course at Coney Island is 56 2-3 yards short of three quarter miles and practically a straightaway, though it has a slight bend. This makes the course 1253 1-3 yards or 3760 feet long. In time allowance, according to Coney Island figures, the 170 yards should be figured as equal to about 3 3-16 seconds. The record over it is Kingston's 1:08. That record, however, was rather falsely made. The horse beat the timing flag that day and really ran in about 1:08½. He had 139 pounds up and it is the sparkling performance of America.

No More Form Books.

There are no more copies of either Leather Form or its cheaper edition. All are sold. The next books will be issued August 15. Number 1 will contain the charts from June 2 to August 10 inclusive. Number 2 will cover racing by charts from March 26 to August 10 inclusive. Both books will be bound in leather. Number 1 will cost \$5 and number 2 \$8. The edition of the latter is extremely limited and will be sold only on C. O. D. advance order.

Designer was also badly messed about. Mollie King and Repeater were the speed of the party. Both are faint hearted. Fakir showed some speed and ran a creditable race. London Smoke finished strong.

Rasedyly finished very strong. Sutton was in pocket early and had an easy race. Michael McInerney had speed to give away but could not apply it correctly. It was a crazy lot at the post.
